

# Fourth Annual Abilities Centre Ottawa Golf Tournament September 14, 2018

## Sponsorship Opportunities

Dear Sponsor,

Thank you for your interest in supporting the fourth annual Abilities Centre Ottawa golf tournament.

The Abilities Centre Ottawa (ACO) will be a universally designed facility intended to meet the needs of all individuals and families. The nature of staff training, programming and facility design will ensure an inclusive environment, delivering enriching sport, arts, drama, music and life skills programming for individuals and families alike.

It is this exemplary combination of elements that will make the ACO nationally and culturally unique. A single facility with programming that is capable of bringing together individuals and families, person of all abilities and ages, recreational and elite athletes, artist and performers, educators and researchers.

The capital budget required to design and build the Abilities Centre Ottawa is estimated at approximately \$50 million. We anticipate needing to raise the majority of funding from private contributions (corporations, foundations and individuals) with a lesser share coming from funds secured from all levels of government.

Your contribution as a sponsor will support the operational costs in the development stage of this project.
