Dear Recipient,

Emily Glossop, Todd Nicholson and the entire Abilities Centre Ottawa (ACO) Board of Directors would like to thank you very much for supporting the ACO golf tournament in the past either as a player, sponsor or dinner guest.

As some of you already know, Emily and Todd lost their home in the Tornado that struck Dunrobin last September and while dealing with the many challenges it was felt that the ACO Golf Tournament should be deferred for one year.

However, we are delighted to advise that after **IBEW Local 586** heard of this news and the important role that the ACO will have in the community, they have kindly offered to bear responsibility for organizing the tournament this year. As such, you are receiving this email to ask for your continued support for the ACO at this year's event.

This event is for all supporters of the Abilities Centre Ottawa whether they are sponsors, golfers, dinner guests – or all three! Options are provided below for your involvement in the way that suits you best. We hope that you will consider joining us in person, or if that is not possible, we can count on your continued generous support!

With our sincere gratitude,

Emily Glossop, Todd Nicholson & the Abilities Centre Ottawa Board of Directors

WHAT IS THE ABILITIES CENTRE OTTAWA?

The Abilities Centre Ottawa (ACO) will be a universally designed facility intended to meet the needs of all individuals and families. The nature of staff training, programming and facility design will ensure an inclusive environment, delivering enriching sport, arts, drama, music and life skills programming for individuals and families alike.

It is this exemplary combination of elements that will make the ACO nationally and culturally unique. A single facility with programming that is capable of bringing together individuals and families, persons of all abilities and ages, recreational and elite athletes, artists and performers, educators and researchers.

For more information about the ACO and getting involved please visit www.abilitiescentreottawa.org.

HOW CAN I HELP?

The capital budget required to design and build the Abilities Centre Ottawa is estimated at approximately \$50 million. Funding for the project is anticipated to be largely from private contributions (corporations, foundations and individuals) with a lesser share coming from funds secured from all levels of government.

Your contribution, whether it is as an official sponsor of the tournament, a golfer, or a dinner guest will support the operational costs in the development stage of this project.
